

LA COUNTY REGIONAL CENTERS

NEW EARLY START ELIGIBILITY CRITERIA

Effective January 2015

A delay of *33%* in at least **ONE** area of development

Areas of Development

- Social — emotions, interacting with others
- Adaptive — daily activities such as eating and getting dressed
- Physical — large and small movements
- Communication — pre-speech and language
- Cognitive — thinking and problem-solving

OR

A high risk condition

Children with multiple medical factors that place them at risk for a development disability such as:

- Prematurity of < 32 weeks gestation and/or low birth weight
- Assisted ventilation of >48 hours during the first 28 days of life
- Prenatal substance exposure
- Or an infant or toddler born to a parent with a developmental disability

OR

An established risk condition

Children born with a condition with a known probability of causing a disability or delay such as:

Down syndrome or **cerebral palsy**

When to Refer...

If you or your doctor suspect that your baby's development is delayed, help is available through California's Early Start Program. You may refer your child at any time.
