

# Holidays Are For Sharing

**You, your organization, or employee group can make a difference for a child or adult with a developmental disability during the holiday season. You can help in one of two ways:**

## Donate to the Harbor Help Fund

Your contribution will be used to purchase grocery and shopping gift cards for a person or family in need.

Your tax deductible donation to the Harbor Help Fund will provide a memorable holiday season for HRC clients and families who would otherwise be without.

Extend the spirit of the Holiday Season by helping to bring smiles to the many children and adults with developmental disabilities who need your support and generosity the most.

## Participate in the HRC Adopt-A-Family Program

Help a family or an adult with a developmental disability this Holiday Season:

- We will match you/your group with a person or family in need .
- Your contribution can include food, new toys, clothes, and other gifts.
- Tell us the size of family you are able to help in the South Bay, Harbor, Long Beach, or Bellflower/ Southeast area.
- We will provide you with their holiday wish list and contact information.
- You will have an opportunity to deliver your gifts to the individual or family, or ask for our help.
