**ADULT DAY SERVICES  
FORMAT FOR SESSION FOUR DISCUSSION**

**NOVEMBER 2, 2017**

**DISCUSSION QUESTION #1:**

In review session one, we shared **the HRC service policy on adult day services** in addition to the adult day program policies for seven (7) other regional centers in Southern California. Please discuss the HRC service policy:

- Do you think there is anything important that is not addressed in the HRC policy?
- Did you find something in one of the other regional center's adult day service policy that can be added to HRC's policy?
- Do you think there are parts of the policy that need clarification?
- What other suggestions do you have for changes to the policy?

**DISCUSSION QUESTION #2:**

In review session two, we reviewed **one document that HRC uses to provide guidance to all parties involved in providing or receiving adult day services**, the Harbor Regional Center Expectations for Adult Day Services.

- Do you think there is anything important that is not addressed in HRC's Expectations for Adult Day Services?
- As we update these expectations, what are some major areas that should be added?
- Is there anything that you think should be deleted?
- Do you have some general guidance to provide concerning the use of these expectations?

**DISCUSSION QUESTION #3:**

In review session three, we shared extensive information about service providers and heard directly from two adult day service providers concerning how they provide their services.

- Do you have some comments, recommendations, general guidance related to adult day service provider issues?

**DISCUSSION QUESTION #4:**

In review session one, we reviewed **three HRC publications** that were about, or that included reference to, adult day services. They are:

1. Planning for Your Future: A Roadmap to Your Goals
2. Working with the Schools on Transition: A booklet for Parents of Younger Teens
3. Facing Transition: A Look at Your Adolescent's future

Although we will not have time tonight to revise these booklets, we are interested in your input. As we update these booklets, what are some major areas that should be added?

- Share with us any general guidance regarding these booklets.
