

Medi-Cal

How Do Clients Apply?

Applicants must complete an application and submit supporting documentation.

An application form and instructional brochures have been provided on the main MediCal street smarts page.

Applicants can also call or visit the local county social services office and ask for a Medi-Cal application. The applications are available in many different languages.

See the Los Angeles County Department of Social Services Office Locations webpage for a list of local social services offices, at <http://dpss.lacounty.gov/dpss/maps/default.cfm>

You can submit an application in person at the local DPSS office, or by mail:
Northridge Regional Medi-Cal District #90
P.O. Box 10810
Canoga Park, CA 91309

If the family needs assistance in filling out the application, they may make an appointment at their local DPSS office and a Medi-Cal case worker will assist the family. HRC Counselors and Benefits Specialist can also assist with this process.

Remember if the client is getting SSI, the agency automatically sets up Medi-Cal for you. No separate Medi-Cal application is needed.
