

Other Health Care Programs/Resources

Genetically Handicapped Person Program (GHPP) – If you have a genetic disease such as: sickle cell, cystic fibrosis, hemophilia, etc., this program can help you pay your medical costs and can also help with equipment, medication, and other health costs.

(800) 639-0597

[CA Department of Health Care Services website on GHPP](#)

Health Insurance Premium Payment Program (HIPP) – If you are eligible for Medi-Cal, seriously ill with high-cost medical bills and have access to private health care coverage, this special state Medi-Cal program can help you pay for health insurance premium.

(800) 952-5294 or (866) 298-8443

[CA Department of Health Care Services website information on HIPP](#)

Ability-to-Pay (ATP) program – If you need medical services, they are available at public and private clinics, hospitals, and many other locations and can be provided at no cost depending on your income. Medical services, including tests and prescriptions, are provided on an ability-to-pay basis.

(800) 427-8700

[More information](#)

Outpatient Reduced-Cost Simplified Application (ORSA) - ORSA assists people who are not able to pay for their outpatient medical care. You must be a resident of Los Angeles County, have no income or low income, and cannot qualify for Medi-Cal. ORSA is good for 1 year, after which you must reapply. ORSA recipients can receive medical care and medications at specific clinic locations.

For more information: call (800) 378-9919 or see information sheet from
