Skills4Care

HRC has contracted with Skills4Care to provide a mentoring program for Self-Determination Program (SDP) participants. If you have decided to enter the SDP and are having challenges with navigating any stage of the program and have not yet achieved "live" status, please let your your service coordinator know. Mentor support can include:

- extra training & information on specific components/stages of the program,
- extra support with identifying and securing a Person-Centered Planner (PCP), Independent Facilitator (IF), and/or Financial Management Service (FMS) agency
- extra support with creating a Spending Plan,
- and extra support with identified providers to deliver a service to you.
