This is referred to as Community Resource Development Plan (CRDP) and Community Placement Plan (CPP) funding.

Based on Harbor Regional Center's community and stakeholder input, Harbor is seeking proposals for the development of an Infant Development Program, utilizing service code 805. Harbor Regional Center is seeking the development of a community-based Infant Development Program capable of providing services for up to 50 children. The program will offer services that are primarily offered in the child/family home, or other locations in the child's natural environment (preschool, parks, toddler play centers, etc.). The provider will also maintain an office/clinic located in the cities specified above and for which Harbor will provide final approval. This will be a multi-disciplinary program serving infants and toddlers from the age of approximately 18 months up to 36 months who have been found eligible for early start services.
