

YOUR HCBS COMMUNITY OF PRACTICE MOVING FROM PAPER TO PRACTICE

HCBS Final Rule #3 Having Privacy, Dignity, and Respect, and #7 Having Respect and Privacy

You're invited to join others in your community for **FREE** sessions focused on putting person-centered approaches into action, transforming HCBS quality standards from "Paper to Practice."

Whether you're looking to meet compliance or to maintain and build upon the great work you're already doing, come explore practical ways to sustain high standards together!

MAR. 6, 2025 9:00-12:00PM

DEEP DIVE IN-PERSON

Together, we'll practice practical, user-friendly skills designed to help you uphold HCBS Requirement #3 - Having Privacy, Dignity, and Respect, and #7 - Having Respect and Privacy. We'll explore opportunities for implementation, address current challenges, and introduce three valuable tools to share with your team and those you support!

APR. 3 & 4, 2025 TIME TBD

COACHING CIRCLES REMOTE OVER ZOOM

Join your peers for dedicated, intentional conversations about the common challenges facing our community. Together, we'll share resources, strategies, and collaborate on solutions. Coaching circles will focus on specific, relevant topics to deepen our discussions. *Join us even if you did not attend 3/6/2025.

MAY 1, 2025 10:00-11:30AM

TAKING ACTION REMOTE OVER ZOOM

Join us to explore effective ways to share the valuable insights we've gained over the past two months. Learn from others to create a plan that works for your team, and gain access to meaningful, accessible resources that make it easy to share this knowledge with everyone!

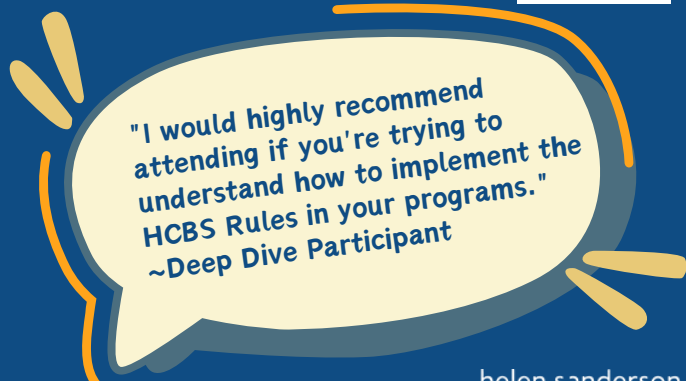

[Click here](#) or Scan to receive more information about upcoming HCBS Community of Practice sessions.
It is not required to attend all sessions.

Why should I attend?

- be introduced to practical skills you can put into action now
- meet people doing similar work to build a "community" that can share ideas, tips and resources

"I would highly recommend attending if you're trying to understand how to implement the HCBS Rules in your programs."
~Deep Dive Participant
