Email Basics Program

In collaboration with Harbor Regional Center, the Torrance Public Library is excited to host an Email Basics Program! We'll be offering hands-on practice for individuals served by Harbor Regional and their families. This event is also open to the general public. Registration is required.

Spanish interpretation will be available.
Interpretation in any other language is available, please request at least five (5) or more business days prior to the event or at the time of registration.

To RSVP, please contact: Christian Chacon (310) 543-0152
