

HARBOR REGIONAL CENTER INVITES YOU TO JOIN OUR **FREE** PERSON-CENTERED THINKING (PCT) TRAINING PROVIDED BY INTELLECTABILITY

PERSON-CENTERED THINKING TRAINING: IT'S ABOUT BETTER LIVES

The successful completion of Person-Centered Thinking Training is intended to ensure graduates have a firm grasp of person-centered observation, problem-solving, and management skills, alongside a host of specialized tools and techniques.

WHO SHOULD ATTEND

Person-centered approaches are at the foundation of the HCBS Final Rule requirements. Person-Centered Thinking (PCT) provides the best approach to learning about people including their dreams, capacities, and even their fears. In this training, we learn ways to approach each person and identify what is important To and For that person.

Class Schedule

Person-Centered Thinking (PCT) Training consists of six (6) modules

These modules will be taught over two (2) consecutive days

All sessions include breaks, including a break for lunch.

You must stay for the entirety of both days to receive a certificate of completion.

Meet the Trainer
