

GUIDANCE | EDUCATION | SUPPORT

TASK is proud to present the following presentation in collaboration with Southeast Family Resource Center and Bethany Manor Development & Learning Center:

Assistive Technology for Early Learning Workshop

This webinar includes different types of assistive technology used for young children, from birth to age five. Topics include apps and websites that facilitate early learning, toy/book adaptations, low tech items, early AAC, and much more. Come see how your little ones can benefit from assistive technology.

Wednesday, May 6, 2026, 9:30 am

Southeast Family Resource Center with
Bethany Manor Development & Learning Center
12110 E. Walnut St., Norwalk, CA 90650
